TERMS & CONDITIONS:

TERM FEES:

Term fees are due by the end of Week 3 of each term & students will not be allowed to continue to attend classes after this date until payment has been received. We offer class discount packages personalised to each student/family & have several payment options. Payment Plans, Credit Card & Cash payments available.

Missed classes are non-refundable & any classes missed due to public holidays will not be invoiced or will be made up for in the future. Students with any outstanding fees will not be permitted in classes, dance concert, extra performances, or exams & enrolment with us will be cancelled unless a payment plan or other arrangements are made.

CLASS SIGN UP:

To enrol with MF Dance Studio, we are also RECOMMENDING that each student implies our 2 class a week minimum sign-up protocol if the class is for 30 minutes in time. This is highly recommended by my team & myself as it allows every single student to feel our sense of community & be a part of the MFSQUAD in the best way possible. We find that students doing

1 x 30 minute class a week aren't completely immersed into what we are all about & spending more time with each student allows us to create a greater rapport between staff & student. Attending 2 classes a week also allows for the best development for each child & we can see greater improvement week in week out. *This does not apply to Tiny Groovers, Mini Movers & Groovers, Ninja's Program or classes that are 45 minutes or longer*

CLASS CHANGES/TERMINATION:

3 weeks notice must be given if your child wishes to discontinue a class or change classes in the following term.

Classes cannot be terminated mid-term.

Please note especially when heading into Concert Prep that dance classes to us are like a 'team sport'. When you enrol with us yourself & your child are committing to the 'team' & family we have created.

CLASS PRICING:

All prices listed on our timetable are per Term.

Please email info@mfdancestudio.com.au to discuss payment plan options, change of classes, termination of classes, change of address & any other information regarding your enrolment or account.
